

The image shows the interior of a large, modern hall with a high, vaulted wooden ceiling supported by thick wooden beams. A large stone fireplace with a flat-screen TV mounted above it is on the left. In the foreground and middle ground, several long wooden tables are set up with blue folding chairs and small American flags. Large windows and glass doors on the right side offer a view of an outdoor patio area with more chairs and a wooden deck. The overall atmosphere is bright and spacious.
